Economics
Foundation
St. Gallen

In his latest book, «Trade Links: New Rules for a New World», Prof. James Bacchus elucidates how the World Trade Organization (WTO) can be modernized for the 21st century, delving into its potential to address future pandemics and climate change, and advance sustainable development, all within the framework of preserving free trade. Join Prof. James Bacchus as part of LeSQUARE on his exploration of the links between trade and sustainable development!
